The Dimmer VIEW

By MAX GOODWIN

It would have been a sad day for Irl Webber, who runs a liquor store on the east end of Broadway, if the telephone company had become completely mechanized.

His wife got a bill the other day and it charged Webber for a "gift" extension line for a Miss Garstein. Webber claims he knows of no such person, certainly isn't bestowing gratuities on any lady except his wife, and called upon the telephone company to explain matters to his spouse.

They responded nobly with the help of an understanding and sincerely contrite young lady employee. She admitted the company's mistake and all is serene again in the Webber household.

I wonder how they would have used that impersonal and repetitious recorded voice to get out of these sort of things when mechanization becomes 100 percent complete.

The mechanization influence has left its mark on Sue Chapin, who is our Welcome Wagon lady and is as pretty and smart a chick as you want to meet.

She was in our office last week on a mission which required her to sign her name in ink. She borrowed my fountain pen but couldn't make it work. She squeezed the clip and pushed the button on top. Finally, in desperation she looked up and asked, "How in the world do you make this thing work?"

I returned the cap which covers the entire bottom half of my fountain pen and handed it back.

2 In 'Fairest' Race Tonight

Lemon Grove's entry in the 12th annual Fairest of the Fair and Miss Con-Tour queen pageant might be decided between two candidates.

They are Linda Leach, 18, and Carolyn Randall, 17, Ted Skelley, Lions Club spokesman, said several other girls had requested entry blanks but had not returned them.

The contest will be this evening during the membership meeting of the Lions Club, at Michael's Restaurant, beginning at 7 p.m.

Miss Leach is employed by an automobile agency. Carolyn is in her junior year at Helix High.

Constance Kratz, last year's winner, finished among the top ten contestants in final competition.

Tonight's winner will compete in county-wide finals June 2, at McDougal Auditorium, Marine Corps Recruit Depot.

Poppy Days Dates Set By Legion

La Mesa American Legion Auxiliary will distribute poppies in Lemon Grove Friday and Saturday May 24th and 25th.

Poppies, according to Mrs. LeRoy Bailey, are made by disabled veterans and all of the contributions go to these men as well as needy children of veterans.

The work of making poppies is carried on in veterans' hospitals and for thirty years veterans have benefitted financially from the sale of the crepe paper flowers, and therapeutically.

Tickets For Style Show Going Fast

Tickets to Lemon Grove's own Fiesta Desert-Style Show are being sold at a rate which indicates a sell-out long before the event. Purchase of tickets by women's clubs members denotes the show will be a social season highlight. Scheduled for Wednesday June 5th, at 8 p.m., at the Junior High Cafeteria, the show will be the combined effort of most Lemon Grove retailers. Only 400 seats are available.

Molly Morse, KFMB fashion editor will be moderator. All aspects of the show will be top-notch. Catering, lighting, staging and live music will be supplied by professionals.

Seymour Francis, Fiesta del Pacifico official, and Dick Dyson, a display firm executive, will meet with members of the Merchant's Division of the Chamber of Commerce under whose auspices the show is being produced, Thursday (today) at noon to wrap up the decorating and fiesta parts of the project. All local business firms are invited to take part in this meeting which will be held at Michael's.

Local merchants who will take part in the ticket sales will have a replica of the ticket pinned to their lapel.

Tickets sell for \$1.25 plus tax and Bob Pulliam is in charge of ticket sales. Barbara Howell heads the Fiesta Committee and Patricia Hutchinson is co-ordinator of the event.

Supervisors Lop Budget \$102,000

The Supervisors did some pruning on Thursday, and pruned and cut the earlier announced \$54,958,070 preliminary budget \$102,420.

This figure is subject to final checking by the Auditor before final adoption July 1.

A public hearing at 2 p.m. June 18 was set by the Board.

More than \$650,000 is expected by the County from the sales tax next year. Unincorporated areas have requested that the sales tax funds collected in their areas be returned to finance local services in these areas. (This was promised when the additional 1c sales tax was imposed).

CHARTER MEMBERS OF GROVE P.T.A. MEET AGAIN

1930 CHARTER MEMBERS of the Lemon Grove P.T.A. last week held their tenth annual presidents and charter members meeting at the Rose Hedge Manor.

Part of the group which attended are shown here. They are seated: Mrs. Walter

Kasitz, Mrs. Adam Williams and Mrs. Hazel Schwalm. Standing are: Mrs. James (Florine) Lake, Mrs. Robert (Dorothy) Birkel, Mrs. Earl Elliott, former principal, Mrs. Richard (Ila Sorenson) Lawton and Mrs. Eleanor Chew Peters.

Lemon Grove will have a new recreation center, a new youth building, and a new library David W. Bird, County Supervisor of the Lemon Grove district said this week.

The projects are only awaiting Bird working out details with the other four county supervisors. Bird said that he was confident the other men would concur with his request for recreation facilities for Lemon Grove.

These projects will come from sales tax money he told six members of the Lemon Grove Recreation Commission which is headed by Harry Alexander, Lemon Grove Fire Department Fire Captain.

The Commission met with Supervisor Bird Monday at Michael's for the purpose of resolving the recreational problem super-induced by lack of facilities locally.

Bird agreed: 1) To purchase for the county for Lemon Grove recreational purposes 4 acres of land for \$27,000 on which the LG Swimming Pool Association now holds a three year option. The land is at Washington and Mt. Vernon.

2) To start work in the immediate future on a library on the 100'x100' county-owned property at the corner of School Lane and Central Avenue, opposite the fire house.

3) To start work on architectural plans by which a new Youth Center will be built when the park facility has been completed.

4) To assign "Biff" Gardner to

Dr. Nicholl To Head L.G. Lions

Dr. Calvin Nicholl, 7495 San Miguel Avenue was elected president of the Lemon Grove Lions Club at an election-dinner meeting last week. He succeeds Roy Erwin who will serve until June 13th when Dr. Nicholl will be installed.

Other officers elected to serve in 1957-58 include: V. J. Dorman, First Vice President; Emmett Marshall, Second Vice President; Paul Louer, Secretary-Treasurer; Chuck Munn, Lion Tamer; Clarence Milbrodt, Tail Twister and Pete Wood, Robert Schnick, Tom Walton and Bob York, directors.

Dr. Donald Johnson headed the nominating committee. An installation party and dance will be held June 15th at Caspar's according to retiring president Erwin. The club meets regularly at Michael's.

Bird also said that a traffic light would be erected at Broadway and Imperial. The money has been budgeted for it, he said. Delay will be only in relation to the State turning the road back to the county.

CD To Meet Again Sunday

There will be another Civil Defense meeting Sunday at 2 p.m. at Leewood Recreation Hall, Trailer Court, 7150 Broadway near Massachusetts according to Mrs. Burton Snyder, Welfare Chief.

All persons having CD assignments, those wishing to participate in the program are invited to attend. Adm. Robert Rodgers will be in charge.

THINGS DOIN' & BREWIN' About Civic Center

By DICK HENDERSON

Put a price tag of \$105,528 on the County's interest in 493 acres of tax delinquent land in Santa Fe Irrigation District.

The sum represents back taxes owed the County, with penalties and interest, besides taxes and interest that would accrue over the next three years. Three years would be allowed for payment.

The District requested the County to sell its interest in the 493 acres for only the amount of back taxes, \$47,399. Tax Collector Easton called the district's offer of \$47,399, "an attempt to tie up the property and prevent its sale at public auction."

Easton said the district, in the past, has stopped sale of other tax delinquent land by using its prior option rights. In one instance, the district obtained land at \$143 an acre and later sold it for \$2,000 an acre.

Easton recommended that the county place a value of \$105,528

on its interest in the land.

FOUR TO ONE

The Supervisors voted 4-1 to do so. Howell, (Escondido) voted against Dent's motion.

The Supervisors unanimously endorsed proposed state legislation to increase the number of Superior Court Judges here from 10 to 12. Superior Court has had 10 judges since Jan. 23, 1956, when Clarence Harden and Gerald C. Thomas, appointed by Gov. Knight, took office. Two more judges would help clear the backlog of 998 civil cases which were pending as of May 1. County

LM-SD Men Tangle Cars On Broadway

Billy J. Roberts, 21, of 6226 Lake Alamar, San Diego, was injured in an accident on Broadway, just 450 feet from Fairway Drive, Thursday at 4:45 p.m. He was taken to a hospital in the Adams ambulance.

According to the Highway Patrol, a car driven by Robert C. Thurston of 9105 Madison Ave., La Mesa, was west bound on Broadway, and sideswiped a car going east, and driven by Gerald H. Stemple of 6226 Lake Alamar, San Diego. The injured man was a passenger of the sideswiped car. The Highway Patrol's report stated that Roberts received cuts and bruises.

2 TRY FOR SCHOOL BOARD

Two aspirants will try for a single seat on the Lemon Grove Elementary School Board, and one man will run for re-election for the Grossmont High School Board in a combination election here Friday.

Palmer Svalstad, a building contractor who lives at 7536 San Miguel, is a solo contender for re-election on the high school board.

There is little probability that Svalstad will not be elected. There is no indication that a write-in campaign is being waged. This election will be district-wide.

In the Lemon Grove Elementary School District Harry "Buck" Buckner, 1744 Englewood Drive, a group engineer in the digital computing laboratory of Convair is seeking to unseat Bert A. Betts, 8145 Palm Street, a Lemon Grove CPA, who was elected to the board in 1954.

Buckner charges Betts with absenteeism and with using the type of psychology on school personnel.

Palmer Svalstad, incumbent candidate for re-election for the Grossmont High School Board at the May 17th election will make the race solo. There is no other candidate.

Svalstad, who lives in Lemon Grove, made one of the longest campaign statements in his political life in spite of the fact he has no opposition.

He said "Lemon Grove-Spring Valley residents should have representation on the High School Board and that the trustees should make decisions for the benefit of education throughout the district."

When Svalstad got into the second paragraph he broke his own record. He concluded that his record "in support of a good educational program, coupled with the economy in the use of educational funds is a good record."

(We think so too—the Editor).

sonnel that had a deleterious effect on school employees morale. Betts points to his record against a backdrop of a reduction in school taxes of 10c per \$100

with 301 votes; Chan Mason with 293 beat Robert Buckner (no relation to Harry Buckner) who got 151 votes.

On the basis of past performance 350 votes should be enough to win.

Both men are campaigning ardently.

Here is what Betts has to say:

"I base my campaign for re-election as Trustee on the Lemon Grove School Board on my record during the past three years. 'Despite the fact of rising taxation in the neighboring school districts the tax rate of our district has been reduced approximately 10c per \$100 of assessed valuation, and we have been able to attract and keep the best type of qualified teachers in the State. Byron Netzel, our District Superintendent, has stated that our teachers' salary schedule compares very favorably with that of neighboring districts. The California Teachers Association states that our district has an ideal teachers salary schedule.

"We have had no double sessions since January 28, 1955. The full Summer Recreation Program has been broadened to include all of our children. During the year I was chairman of the board we devoted many meetings to curriculum studies, with emphasis on reading, writing and arithmetic.

"While I assumed many extra duties involving our school district, I attended more than 85% of all the local board meetings. I was a member of the Governor's Conference on Education and was Chairman of the Joint Teacher Salary Study Committee of San Diego County Trustees, Administrators and Teachers. I believe my participation on these conferences and committees have assisted us in bringing about a more enriched educational program for our children.

"I reside at 8145 Palm Avenue and have offices at 7898 Broadway. My interests are all in Lemon Grove. "My profession as a Certified Public Accountant has proved invaluable to me as a board member.

I seek re-election and your vote based on my experience and record during the last three years."

Here is what Buckner has to say:

"Some people stated during my campaign that a few 'disgruntled' teachers were sponsoring my candidacy. Actually, a large citizens committee is behind my campaign and the teachers represent only a part of the citizenry backing me for board membership.

"A majority of the teachers have indicated that they will vote for me or will work actively for my election because staff morale has been lower this year because of 'attitudes' shown toward the teachers. Recognition for the work they do is a primary requisite for happy, secure-feeling instructors. This is important because the entire school program suffers when professional morale is low.

I want to reiterate my original charge that Mr. Betts has been absent too often. He has been absent or late one half of the time so far this year. His handling of teachers' problems has been responsible in part for the ebbing morale in evidence today. His decision to run for a state office (State Controller) as a school board member does not serve the best interests of the school community."

Rainbow Girls Visit State Capitol

Five Lemon Grove girls had the thrill of touring our historic State Capitol combined with attending meetings of the week-long convention of Grand Assembly, Order of the Rainbow for Girls, held in Sacramento recently. They were the following representatives of Lemon Grove's Rainbow Assembly 172: Geraldine Hill, worthy advisor, and her officers, Lois Davy, Penny Estes, Sharon Sanders and Jacqueline Laisrey. Miss Hill and Miss Laisrey were honored by being selected to serve as Grand Pages at the convention.

JC Road-E-O At Helix Saturday

The Safe Driving Teen-age Road-E-O sponsored by the Lemon Grove Junior Chamber of Commerce will be held this Saturday, at 10 a.m. at Helix High School.

This contest is designed to give the nation's young motorists an opportunity to prove and improve their driving habits and attitudes and to stimulate activities in bigger and better high school driver education programs.

The public is invited to watch the contestants maneuver new cars through the difficult skill course.

The local winners will go to Monrovia for the State Competition and the State winner will later go to Washington D. C. for the National finals.

\$60,000 Awarded In Train Death

A former Lemon Grove man, Abe Goldberg, whose wife ran a gift shop at 3448 Main Street, was awarded \$60,000 damages as a result of the death of his wife, May, 49 who was killed in the Santa Fe Railway train wreck in January, 1956.

The award was made by a L.A. Superior Court after a four day trial.

Goldberg, 51, contended his wife was his sole support. Several Lemon Grove women made the trip to Los Angeles last week to testify in Goldberg's behalf.

L.G.-S.V. Day At County Fair Set For Sunday July 7

Lemon Grove-Spring Valley Day at the 18th annual Southern California Exposition & County Fair at Del Mar is scheduled for Sunday, July 7.

Local visitors to the Exposition on this day will find a full schedule of entertainment including a one hour program of barber shop quartet singing, sponsored by the Society for the Preservation of Barber Shop Quartet Singing of America. More than 100 members of this group will

participate in their favorite pastime.

Free grandstand entertainment will include performances of Polack Bros. three-ring circus at 3:30 and 8:30.

New this year is Harvest Hall where feature agricultural displays will be shown. There also is a new livestock barn to handle increasing entries in this department.

The Exposition will open June 28.

Spring Valley Girl In Broadway Play

STARDUST — Sandra Kolb, center, presently starring on Broadway in "The Potting Shed" was in Spring Valley last week for a visit with her family.

Sandra's mother, Mrs. Michael Adams, (right) who operates the Spring Valley Cafe on Troy Street, and Sandra's sister, Susan, a Spring Valley Junior High Student, look over one of the pages from Eugene O'Neill's "Moon For The Misbegotten" which Miss Kolb is currently studying. "Plotting Shed" will close when Dame Sybil Thorndyke, who plays the lead, leaves for Australia this summer. Miss Kolb has the part of a thirteen year old girl Anne Callifer.

Newspaper reviews of Miss Kolb's performances indicate a bright future for the Spring Valley actress. Walter Winchell, in his syndicated column dated November 26th said that Miss Kolb had stardust on her. — L.G. Camera Photo

Mother's Day Makes Family Gatherings Happier

Mother's Day was happily celebrated in Lemon Grove with many family gatherings with relatives from various areas. They came mostly from San Diego, throwing their feet under heavily loaded tables of succulent eats and enjoyed themselves eating and reminiscing.

Mr. and Mrs. Bert Cosby hosted Mrs. Stafford, mother of Mrs. Cosby, and Mrs. Bernice Case, of Imperial Valley, only sister of Mrs. Cosby. Both girls were raised in the Valley.

Mr. Stafford settled in Imperial Valley in 1910 and pioneered through the tough times settlers experienced. Mrs. Cosby says it wasn't too bad. They didn't have air-conditioning, but got used to the heat and other discomforts, had plenty of fun.

Mrs. Stafford lives in San Di-

The Old Bird brought joy to 30 families, but only two bundles to Lemon Grove. Other parts of the County from Escondido (getting a boy), to La Mesa, Lakeside, El Cajon, San Diego, Mt. Laguna, Grossmont, furnished their quota — "from the mountains to the sea," during the week. The San Diego entrants were from postal zones 4, 14, 15, 2, 5, 16, all in the Hospital District.

Lemon Grove deliveries were: To - Mr. and Mrs. Jack Lango, 3568 Main Street, a six pound boy; also to Mr. and Mrs. Samuel Roma, 7583 Pacific Avenue, a girl, weight, (stripped) 7 lbs., 12½ ounces.

ego and makes frequent visits to Lemon Grove, but Mother's Day is the high-lighted occasion.

Mrs. Case—Bernice to the family and friends—brought some early tomatoes, first of the '57 crop. The first tomatoes sometimes have cracked skin around the stem, but the balance of the "love apples" are tops in flavor. My little wife, who is particularly fond of tomatoes, went into raptures over them (Bernice kindly gave us what she called a small sample, which we will enjoy for a week, at least. Tomatoes go good with cottage cheese). Imperial Valley tomatoes are far

superior to the imports from Mexico, that are picked green and let ripen in the cellophane-wrapped package of 12 small ones until they get red—and don't have much flavor.

Barbecued steaks furnished the piece de resistance at the family dinner at 8277 Golden Avenue. Altogether a very happy gathering. —D.H.

Boys Split Valley Water Main With Rocks

By H. A. Thomas

A crack in one of the few remaining over-ground water mains in the area spewed an estimated 18,000 gallons of water 35 feet into the air Sunday when a rolling rock struck the line and split it open.

The geyser occurred near the home of W. J. Weber, 3320 Central Avenue Spring Valley. Rocks were rolled by a group of youngsters who fled.

A short time after 1:30 p.m. last Sunday, Mrs. W. J. Weber, of 3320 Central Avenue, Spring Valley, looked up the hill behind her home and saw several boys rolling large rocks down the hill.

Suddenly a burst of water, which looked like the "Old Faithful" geyser of Yellowstone Park, shot high into the air. The rolling rocks had done their damage.

Mrs. Weber called the Spring Valley Fire Department, which in turn called the Helix Irrigation District Emergency office.

In the meantime, more boys appeared above the "geyser" and more rocks came tumbling down. It was then Mrs. Weber called the sheriff, but by the time the sheriff arrived the boys had disappeared.

An Irrigation District truck, with men, equipment and maps arrived about 2:00 p.m., but they were in for some trouble.

According to Bud Dell, Superintendent, the damaged pipe is part of the old water system of the District, having been put in about 1926 when the Mattoon Act was in effect, and the pipe is very thin.

The crew shut off a couple of valves to relieve the pressure, but other valves were so corroded,

that shut off was impossible. After about three and a half hours, the Irrigation men finally managed to clamp the leak.

The leaking water had run down the hill and right through the Weber property. According to Mrs. Weber, a great deal of top soil and fertilizer was washed away.

Superintendent Dell said the water loss would probably run about 18,000 gallons. The average family uses about that amount of water each month.

And the District facing a water shortage!!

Flower Sale To Aid Epilepsy Program

Ten Lemon Grove teen-aged girls, headed by Mrs. Lester Guyer of 634 Tibbett St., will assist the 1957 San Diego County Epilepsy campaign by selling flowers Saturday throughout the Lemon Grove area.

Chairman Guyer and her help-

ers are doing their bit to help in the flower drive which will be going on at the same time in every town in the county. The overall campaign is dedicated to helping the more than 10,000 known sufferers of epilepsy residing within the county.

The San Diego County Foundation for the Epileptic has projected a multimillion dollar clinic and rehabilitation center for the thousands of victims of this dread disease living in this area.

Included in the proposed facility will be vocational schools, workshop, dairy and truck farms in order to rehabilitate the epileptic. The clinic and epileptic

center will be built somewhere in the San Diego backcountry and will be the only such facility located on the West Coast.

The people of Lemon Grove are asked to open their hearts and their pocketbooks in this all-out war on epilepsy. Contributions may be sent to "Epilepsy" Box 11, San Diego 12.

LA MESA ARTISTS TO HEAR BERG

The La Mesa Foothills Art Association will hold its regular meeting in the La Mesa Grammar School auditorium, 8100 Orange Ave., La Mesa, at 7:30 p.m. Wednesday.

An illustrated talk will be given by Chet Berg covering his recent trip into Mexico, where he made many trips off the beaten paths.

Mrs. Phoebe Burnham will have the monthly one-man show. Plans are under way for the Art Mart in June on the Rose Hedge Manor lawn.

Social hour will conclude the evening.

Local Demos Plan 'Party Night' Week

Lemon Grove Democrats will have an opportunity to test their brains against those of some of the nation's top party leaders on a nationwide radio quiz program Tuesday night, May 21, to be heard locally on KFMB at 8 p.m.

The program, to be broadcast from Washington D. C., is a highlight of Democratic Party Night, which is being celebrated from coast to coast as an initial step

in an organizational campaign launched by Democratic National Committee, according to G. K. Williams, Chairman of the San Diego County Democratic Central Committee.

Party goers will be supplied with the same questions being posed a panel of national leaders. These may be obtained by calling Headquarters in San Diego, she said.

Democratic Party night is high point of a week long celebration, beginning Saturday May 18 and extending through the following Saturday night. To date some seventy five parties have been planned.

In Lemon Grove Mrs. Russell Gordon will open her home on May 18 for a pot luck dinner. The homes of Dr. Martin Ridge and Mrs. Ben Snyder will be open on May 21.

'THE RODEO' TO OPEN ON BROADWAY

Ralph and Patricia Graham, famed for participation in national rodeos, have opened a restaurant at 8300 Broadway, near No. 8000.

The couple came here from Salina, Kansas, for their baby's health.

The cafe will be known as "The Rodeo Room and will feature complete restaurant service, including beer.

WASHINGTON SUMMARY

by ED KOTERBA

IMMORAL FUNDS?

King Saud's stay at Blair House in Washington stirred up so many rumors about government-subsidized lady guests that the State Department was forced to issue an official statement.

The statement said, in effect, that no U.S. funds were spent for immoral purposes during the king's visit.

However, imaginative cynics around here aren't convinced.

CONGRESS—HIGH GEAR

Now that most partying and spring junketing is out of the way, you may expect some solid action in both houses of Congress on major legislation.

Sen. Lyndon Johnson, Texas Democrat, the majority leader, was definite in his demand that Congress get some fast action on 148 legislative proposals set for by President Eisenhower.

Johnson said: "Vote them in or vote them out." It's likely more than three-fourths of the bills will be voted down — including civil rights and federal aid to school construction.

COSTLY JAZZ

Congress is up in arms about the \$2,150-a-week salary that the United States Information Agency paid jazz band leader Dizzy Gillespie for an eight-week "educational" tour of the Near East and Africa. The tour cost taxpayers \$85,000!

UNCLE SAM'S PAYROLL

If there's any doubt in your mind about how much it costs the federal government to run itself, look over these figures.

In 1940, there were 1,053,000 civilian employees on the federal payroll. Cost to taxpayers: \$1,890,942,000.

In 1950 — 2,079,000 employees. Annual payroll — Just under \$7 billion.

In 1956, 2,415,900 employees. Cost to taxpayers — \$10,836,336,000.

This year, taxpayers are shelling out one billion dollars a

month as wages for federal employees.

PREDICTIONS

A fabulous new light weight one-man helicopter, soon to be mass produced, will revolutionize air-commuter travel.

TAX CUT

All income tax cut bills proposed so far will die in Congress, but the outlook gets brighter by the week for definite cuts within next year — election year.

MORE FOR DEFENSE

The Pentagon whispers that the \$36 billion budgeted for 1958 for defense spending will rise to \$38 billion. The extra sum will be tacked on through supplemental (deficiency) allotments.

FALSE FURS

The Federal Trade Commission will step up its drive to expose fur dealers who advertise lamb skin as "mouton" and rabbit as "Arctic seal" etc.

EASIER CREDITS

To offset drop in sales, easier credit terms are in the offing — with Washington's blessing — for autos and household appliances.

CHEAPER FURS

Look for lower-priced furs this coming season. One indication: Nearly 100,000 fur-seal skins sold by the government the other day netted 10 per cent less in price than a year ago.

MISCELLANY, Poison Food

Rep. Usher L. Burdick of North Dakota is startling some food producers with his tenacious campaign to outlaw certain commodities which he claims contain poisonous chemicals. One of his chief targets is major soft drinks.

SAVINGS BONDS

The Treasury Department is troubled (but not for publication) that the recent increase on interest on savings bonds (up to 3 1/2%) has NOT brought a substantial upsurge of buyers.

ROAD TAPE

Only 1,200 miles of the proposed 41,000-mile federal highway system are now under construction or approved for construction. Main reason: Red tape in Washington.

ESCONDIDO ORATORIO

Richard Robinson, nationally-known tenor, heads the list of soloists who will appear in the Escondido Oratorio Festival Association's May 28 and 29 performance of Cesar Franck's "The Beatitudes." Others are Fred Rigby, La Mesa, Virginia Arnold and Christine Krooskos of San Diego, Robert Long of Hollywood and Ralph Simpson of Escondido. All have impressive backgrounds in musical activities in this area.

Grove Teacher Wins CTA Board Seat In Southern California Race

Mrs. Margaret Lemmer, junior high English teacher at Lemon Grove, was top candidate in a field of six for a position on the Board of Directors, California Teachers Association, Southern Section, at a meeting of the Southern Council in Los Angeles Saturday. Nominated by Ralph Taylor of the County Schools Office and seconded by Merrill McLaughlin, president of the San Diego city teachers, Mrs. Lemmer secured 240 of the 300 votes cast to elect new board members. Other candidates included nominees from Los Angeles, Long Beach, El Segundo, El Monte, and Fullerton. The San Diego area has sixty-two votes on the Council.

This Board, made up of six elected directors and four officers, directs the activities of the CTA for over 50,000 teachers and administrators in Southern California. The CTA, SS, contains nine large counties, stretching from above Santa Barbara on the north, San Ysidro on the south, and the eastern boundary of the state on the east. Over half the teachers and the schools of the state are the concern of this group. The Southern Section of the California Teachers Association, incorporated under the laws of California, recently built a headquarters building in Los Angeles at a cost of nearly two million dollars, employs a professional and secretarial staff of over 80, and controls a budget of nearly a million dollars a year.

Mrs. Lemmer, completing a second term as president of the San Diego County Teachers Association, assumes her new duties as a director of CTA, SS on June

1. She continues as a member of the California Teachers Association State Council of Education, a 350 member body which determines state-wide policy for the CTA.

formance of Cesar Franck's "The Beatitudes." Others are Fred Rigby, La Mesa, Virginia Arnold and Christine Krooskos of San Diego, Robert Long of Hollywood and Ralph Simpson of Escondido. All have impressive backgrounds in musical activities in this area.

The Oratorio Association's 50-voice choir will be under the direction of Harold W. Baltz of San Diego, and will be accompanied by Elza Mae Dawson of Escondido and Robert MacDonald of San Diego. Tickets are now on sale, and will be good for either night, Tuesday or Wednesday, in the High School Auditorium.

History Read At VLMPTA Meet

History of the Vista La Mesa Parent-Teacher Association for 1956-57 was cleverly revealed by way of imaginary letters by Stanley Rogers, historian at the May meeting of the Association Tuesday May 14, in the school cafeteria.

He told of the happenings of the unit the past year and of the honors received by the association in that the Yearly Program met C.C.P.T. requirements; a Certificate of Achievement for attaining 100% membership, one of 13 such certificates issued by Ninth District C.C.P.T. and a gold ribbon and State certificate of achievement awarded to the Publicity Record Book. Of the 90 books judged by Ninth District C.C.P.T. only three received the gold ribbon. The chairman responsible for bringing these honors to the unit were, Mrs. Robert White, program; Mrs. Ralph Brehl, Membership, and Mrs. Ivan Arms, Publicity and record book chairman.

Mrs. Ivan Arms, president-elect reported on the highlights of the State Convention held in Long Beach May 8, 9 and 10th. Mrs. Arms was one of 250 delegates from Ninth District.

Community singing was led by Bob White, Music Chairman.

Those members who had perfect attendance were recognized and the number of years of such attendance was held was noted by Mrs. Ralph Brehl, Membership Chairman. Mrs. Wm. Burgreen and Mrs. Robert Brown were charter members of the unit when it was organized in March 1949, and have never missed a meeting of the association since that time.

Mrs. J. Allen Hodges, program chairman of the California Congress of Parents and Teachers and Secondary Schools Service chairman of Ninth District, also Past President of Ninth District installed officers for the 1957-58 term of the Association.

The Board of Equalization dummies are at it again. They've got a little caper rolling that will make a lot of taxpayers mad—and it'll hurt the guys who can least afford it—the guy who wants to buy or sell an old used car to his friend.

Assembly Bill 1458, now pending in the Assembly Committee on Revenue, will impose a 3% use tax on any person who buys a used car from a private party. Some of these clunkers which pass from hand to hand a dozen times will develop more tax cash for the Board after the car is five years old, than it did when it was new. It's ridiculous!

The bill is as discriminatory! No such use tax is levied against the sale of old kitchen table, for example or the sale of your old mower, or any other item you might want to sell as a private citizen.

The Automobile Club of Southern California says the Board of Equalization will want to set up

Shrine Club To Have Week-End Party

Annual Mt. Helix Shrine Club Week-end Party will be held Saturday and Sunday May 25 and 26 at the Mt. Laguna Shrine Camp, according to Earl Holmes, chairman of the event.

12 More Teachers Needed For Grove

Further consideration of the budget for next year occupied school board members Monday night in Lemon Grove. Next year's estimated enrollment showed three additional teachers are needed which brings to twelve the number of new positions here.

Sam Solleder, assistant superintendent, pointed out that at this date last year all vacancies and new positions had been filled. However, twelve vacancies still remain this year in Lemon Grove, despite recruitment efforts on the part of the district.

The following faculty was approved for the summer school sessions: Jouis Poluzzi, Rolland Purves, Mrs. Jessie Snell, Mrs. Grace Burks, Mrs. Gladys Jones, Joseph Papin, and John Strawn. Poluzzi will act as teaching principal.

By board action the remaining trees in the lemon grove on that site will be removed immediately to expedite construction of the school.

In considering salary adjustments for next year, the board requested the teachers salary committee to work out schedules with the same basic steps as the present formula. There was discussion of three possible beginning or minimum salaries, \$4200, \$4300, and \$4400.

The next meeting of the board, at which time further work will be done on the budget and the salary schedules, is Monday evening, May 27, 7:30, at the Education Center on Lincoln Street.

45 'Orphans' Left By Grovan's Death

The story of care and comfort for 45 foster children by the family of a man who died last week was revealed by his friends after his death.

The man, Russell Paul Litchfield, 53, 731 Barton Drive, a carpenter with the Trepte Construction Company, died suddenly last week. At the time of his death there were four foster children in his home ranging in age from three years to twelve. Two eldest attend St. John of the Cross school in Lemon Grove. The little circle of four made a total of 45 the couple have made a home for since the death of the couple's son, Robert, who died in 1943 at the age of 23. Robert died aboard a submarine off the Korean Coast.

Mr. Litchfield, together with his wife Hazel, lived in Encanto and Lemon Grove for 22 years. He was well known and well liked in this area and was the prideful builder of many of the bridges hereabouts. More recently, he had taken to inventing and one of his devices was being considered by a marketing firm.

Survivors include his mother, Martha Ellen Litchfield, 87, who lives in Ft. Wayne; four bro-

LETTERS TO THE EDITOR

Dear Editor:

Would you please run a piece about the Jaycee's Miss Lemon Grove Contest? The reason we have waited until now is that we have been waiting for the first girl to apply so we could run her photo with the article, but so far, none has applied.

Here are the facts: Girls must be between 16 and 25, single and a resident of Lemon Grove or Spring Valley. Same rules apply that are used in the Miss America contest so that local winner may compete as Miss San Diego and be eligible for the Miss America contests.

Local winner will preside over the Rodeo Parade and other Junior Chamber projects for the next 12 months. Contestants must apply by May 25th. Mailing address of JAYCEES, P.O. Box 366, Lemon Grove.

Many thanks,
Vernal R. Wilkinson,
Chairman of Miss Lemon Grove Committee

Dear Jaycees:

The Lions Club is also having trouble getting our local beauties to compete. Their contest is this week (Thursday) and winner will try for Miss Con-Tour. I don't know why our girls are so reluctant. Couldn't be the same reason related by a tv comic. He said that sixty girls entered the beauty contest recently in his home town but they were all so ugly, no one won it.

Frankly, I can't understand why more girls don't turn out for these things. They are fun and give poise that is otherwise harder to acquire. —the editor.

Dear Editor:

More people are familiar with the Post Office Department than any other Federal agency. But the dramatic part played by the Post Office in the tremendous growth of this country is not generally understood.

The record shows that the Post Office Department has played a vital role in our national development. In the course of moving the mail, it helped open America's frontiers, and assisted the development of railroads and airlines.

The reorganization and decentralization has been courageous effort of the postal service to keep up with the present day era of airlifts, television, super highways, and colossal shopping centers. The Post Office Department has increased its efficiency 10%. There is a dramatic example of this on the local level. In 1950 the Lemon Grove Post Office had 6 clerks and did \$60,000 in business. Last year (1956) the local office had 7 clerks and did \$120,000 in postal business.

F. R. Faucher,
Lemon Grove Postmaster.

ADVERTISEMENT FOR BIDS

Notice is hereby given that the Helix Irrigation District, acting by and through its Board of Directors hereinafter referred to as the "Owner," will receive up to, but not later than 9:00 A.M. on the 28th day of May 1957 sealed bids for the award of contract for the furnishing of all labor, materials, tools, expendable equipment, and all utility and transportation services necessary for the construction of the following, to be located on portions of lots 8 and 9 of Block 28 of Fletcher Hills, Unit No. 2, City of El Cajon, State of California: Yard Office Building for the Helix Irrigation District.

Bids shall be opened and publicly read aloud at the above stated time, in the Board Room of the Helix Irrigation District, 4769 Spring Street, La Mesa, California.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Plans, Specifications and all other Documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and open to public inspection in the office of the Engineer, Room 1, 4730 Palm Avenue, La Mesa, California, and may be obtained by depositing \$15.00 for each set. This deposit will be refunded if the set or sets of Contract Documents delivered are returned in good condition within ten (10) days after the bid opening.

Each bid shall be accompanied by a certified or cashier's check payable to the Owner, or a satisfactory bid bond in favor of the Owner executed by the Bidder as Principal and a satisfactory Surety Company as Surety, in an amount not less than ten (10%) percent of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the Bidder shall execute the contract if it is awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds as specified therein within five days after notification of the award of the contract to the Bidder.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be 120 calendar days after notification to the Contractor to proceed.

The Bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Contract Documents.

The Owner reserves the privilege of rejecting any or all bids, or to waive any irregularities or informalities in any bid or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334 inclusive, Government Code.

The Owner has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workmen needed to execute the contract, which will be awarded to the successful Bidder, to be as follows:

FOREMAN

CEMENT MASON, IRON WORKER, LABORER, OPERATING ENGINEER & TRUCK DRIVER FOREMAN shall be paid not less than 25c per hour more than the hourly rate of the highest classification over which he may have supervision.

CARPENTER FOREMAN: The hourly rate for bona fide foreman shall be not less than 25c higher than Journeyman's rate.

The foregoing schedule of per diem wages is based on a working day of eight hours. The wages of every laborer and mechanic engaged in work on the project shall be computed on a basic day rate of eight hours per day, eight hours of continuous employment except for lunch periods, constituting a day's work when a single shift is employed, and seven and one-half hours of continuous employment, except for lunch periods, constituting a day's work when two or more shifts are employed.

Subject to the exceptions hereinafter noted, work in excess of eight hours per day shall be permitted upon compensation, when a single shift is employed, at one and one-half times the basic rate of pay for all hours worked in excess of eight hours on any one day, or at any time during the interval from 5 P.M. Friday to 7:00 A.M. Monday, or on holidays and when of pay for all hours worked in excess of seven and one-half hours on any one day or at any time during the interval from Friday midnight to Sunday midnight.

EXCEPTIONS: CARPENTERS' rate is double time for all overtime. CEMENT MASONS' overtime rate is time and one-half for the first three hours of overtime in any one calendar day, and double time thereafter.

OPERATING ENGINEER'S overtime rate is time and one-half; double time on Sundays and holidays; and double time whenever Operating Engineers are working on any project where members of other crafts (on the same project) are receiving double time rate.

REINFORCING WORKERS' rate is double time for all overtime, awarded, and upon any subcontractor under whom the contract is said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Attention is called to the fact that a list of proposed sub-contractors must be submitted with the bid.

No bidder may withdraw his bid for a period of thirty (30) days after the date for the opening of bids.

San Miguel P.T.A. To Install Officers

Regular association meeting of the San Miguel P.T.A. this Thursday will be the last of the current school year.

The meeting will start at 7:30 p.m. in the San Miguel school auditorium and topping the evening's program will be the installation of the officers who will year the association for the coming year of 1957-58. Mrs. Ann Espe, past and charter president of the San Miguel P.T.A. will be the installing officer.

In preparation for the fun that will be had during the summer school holidays, Mrs. Marguerite Hensley's Girl Scout Troop 554 will demonstrate games that can be played on car trips, and Mrs. Skinner's den of Cub Scouts from Pack 318 will demonstrate recreational games.

To review the happenings of this past year, Ben Schel, school principal will show pictures that have been taken of activities in and about school, and Mrs. J. E. Englestad, P.T.A. president, who attended the State Convention last week held in Long Beach, will report to the Association on this three day conference.

Hard Work But Jerry Made It

Mr. and Mrs. Jerry Walter, 2884 Buena Vista, have finally had a boy.

After having five daughters in a row the couple has produced a son, which they promptly named Robert Jerome.

R. J. has more claim to fame than that of being brother to Sandra, Susie, Nancy, Carol and Janet. He was the first baby born on Mother's Day at Grossmont Hospital. He arrived Sunday at 6:18 a.m. and weighed 8 pounds, 1 ounce.

He was also born on his mother's brother's birthday and on the birthday of his father's father.

For those desiring the customary cigar which goes with such an event we recommend a visit to Jerry Walter's Jewelry Store at 7773 Broadway. In his pleased excitement there is no telling what Walters may give in lieu of the cigar.

The child's mother, Jeanne, is doing very well. So is the infant.

Former Helix Students

In Movie Finals

Congratulations are in order for three ex-Highlanders of Helix High School who recently placed as the finalists in the 20th Century Fox "Invitation to Stardom" talent hunt held Friday afternoon in the North Park Theatre.

Twenty-seven hopefuls qualified for an interview and from that four boys and four girls were selected to do scenes in approximately three weeks before the San Diego public and 20th-Century executives. The two acting Highlanders are Bob Turnbull (54) and Dick Cunningham (56). In the talent specialty group singer Jerry Rhodes (54) was one of the finalists. Other actors were Marianna Rawls, Dolores Deason, Jo Morrow, Salli Gray, Bob Bernard and Bob Uecker.

This Saturday Ben Bard, director of New Talent at 20th, will conduct some rehearsals for the theatre aspirants.

GUARDS BUSY

Life guards at Mission Beach rescued five persons from the surf near the amusement center on Sunday afternoon. Four of the group gave various addresses, one Joyce Brannack, 15, of 6807 Severin Dr., La Mesa. The fifth person in trouble was Dave Zak, 26, son of Lt. Col. Jos. T. Zak, 7204 San Miguel Ave., Lemon Grove. Mrs. Zak said Monday that her son said nothing about the incident, and had gone to work Monday morning, seemingly okeh.

Lots of Wind Goes Into a Band Parade Says Reporter

Well folks, if you didn't attend the Band Review at National City May 4th you missed something grand and glorious.

I missed part of the band playing, due to the crowd being on time and my being a little late, due to detours for Spring Valley sewers. Planned on going in from the east, down 8th street, but got switched to Harbor Drive, and no parking places were left. In fact, some of the cars were parked four abreast and I had to back out for half a block to get further down, finally wound up about 17th Street and walked up to 14th.

Heard music from that point, but nothing but drums when the bands made the left turn to disband.

First band that passed and played was Cameron's Bagpipes. The skirling almost made tears come to my eyes. My Scottish ancestry always makes me kinda shiver when I hear the pipes, tho my ancestors came over more than 200 years ago.

Then along came Manhattan Beach Band, with green and gold

uniforms and a blonde majorette. Adding the blonde was a young man who threw his silver baton at least 50 feet straight up, caught it on its return and gave it a flip to the left horizontally and it came back to his left hand. He told me, when I complimented his skill, that if I walked a block further up the hill I would hear the music of the bands as they played their final selection.

The Lemon Grove Elementary School band, with the Stars and Stripes and a color guard, was the only band in the whole 81 that carried a flag. I was glad to see the Colors Dena Anderson, drum majorette, and a high stepper, and wearing a top hat and

silver uniforms, led the band, and little Pamela Kellison, in a Lemon yellow uniform, with "L.G." in green embroidered in a lemon shaped outline, stepped proudly along, keeping the other girls on th move. My opinion is that Lemon Grove Elementary put on the best show.

Helix Hi, without their new uniforms, marching in their white shirts and pants (their new uniforms arrived too late for the parade) were judged worthy of second honors.

Boy, I never before heard so much good band music in two hours. I'll bet that next year I'll be on time to use the grand stand seats reserved for me by Tom

Thanks, National City, for a wonderful afternoon.

And further thanks to the hundreds of young folks who spent many hours practicing and marching, to give us pleasure.

ABOUT CIVIC CENTER (Continued)

Clerk James said litigants face a 14-month wait for jury trials. He said two additional full-time judges would be of more benefit than three or four judges sitting pro-tem.

James said further the pre-trial conference system has not been productive in disposing of or efficiently speeding cases.

(A two-year wait in trial of civil suits faces litigants at this time. Criminal cases get breaks, with prompt trial, stenographic service, and expeditious expense. We need more judges like Hewicker. —H.)

that a "flood of bootleg subdivisions" can be expected in the county unless an amendment to the county subdivision ordinance is enacted.

He recommended an amendment that would require all proposed lot splits into four or fewer parcels be subject to review. The division of land into five or more parcels presents no problem, because of the requirement of a tentative subdivision map. No action was taken by the Board.

ROAD MATTERS

Letter from Luce, Forward, Kunzel & Scripps, attorneys for Mr. and Mrs. Kenneth Arnold, Lemon Grove, requesting that action be taken to compensate the Arnolds and remedy the conditions causing flood waters to drain onto their property from Lemon Grove School District property on Lincoln Street, and from further aggravation of said condition by the development of Longdale Manor by Dale Horton and Associates and Custom Builders, Inc.; or that suit will be filed against all responsible parties.

ALL MALE DINNER-STYLE SHOW PLANNED

A preview of an "all-male" fashion show, the first of its kind in the country, is scheduled for unveiling May 23rd at Michael's in Lemon Grove, and it is to be presented free of charge, according to Loraine Richardson, fashion accelerator for the Walker-Scott Co., in San Diego. George Scott, the firm's president will be moderator.

A complete stage and runway is being installed in the Acapulco Room to accommodate the event. All male models will show and model apparel in swimwear, casual, dressy and fiesta, Mrs. Richardson said.

The entire production will be light and humorous and will have a "fiesta feeling". As door prizes a man's suit and several calypso outfits will be given away. The show is being presented without charge and admission will be limited only by seating capacity, according to the producers.

Leitch Opens Local

Real Estate Office

Art S. Leitch, prominent San Diego and county realtor, opened his sixth office in Lemon Grove this week at 3311 Imperial Ave.

Milt Austin, who has been with the Leitch organization for the past six years, is the manager of the new Lemon Grove office. He formerly was manager of Leitch's College office at 6300 El Cajon Blvd. He has lived in this area since World War II, when he served in the U. S. Navy. He holds a commission as a lieutenant commander in the Naval Reserve.

"We have been doing business in and around Lemon Grove for some time, and it was only natural that we would someday be opening a branch office in this enterprising, and rapidly-growing community," said Leitch, who also is president of the San Diego

Realty Board. "This office will give us an important unit in the southeast area, and will strengthen our metropolitan organization, which also includes offices at 3952 and 3922 30th Street, 3721 54th Street, 6300 El Cajon Blvd., all in San Diego, and at 152 W. Main Street, in El Cajon.
